AVOR INVEST - OFFICIAL COMPANY'S PDF & GUIDELINES

==========

THE COMPANY'S RULES AND THEIR RESPECTIVE PUNISHMENTS IF BROKEN BY THE CUSTOMERS

1. No using multiple accounts in the same device. If done, the company will either suspend or fire a customer out of the company.
2. No lending money to any other person to buy machines. If done, the company will decrease the team size of the customer(s) by 5 members or suspend or fire a victim.
3. No withdrawing money from different accounts using a single sim card. If done, the victim account will be considered a multiple account and it will face the same repercussions (suspend or fire a customer out of the company).
4. No using voice mails and any other local language in the company's WhatsApp group but English as an official language. If done, this will lead to suspension of the victim from the WhatsApp group (or suspend or fire the customer out of the company).
5. If any customer spends 2 weeks when his or her account is inactive (no machine running on it), this person will no longer be considered an eligible customer. The customer's account who invited him or her will be deducted by 1 if the number is 1.

HOW TO EARN MORE IN AVOR INVESTMENTS
